Nanogreens+probiotic MAP policy:

Please take a moment to review our updated sales policy for our new product, **nanogreens10 + Probiotic**. This product was created to be sold exclusively through the offices of Health Care Practitioners.

Policy Statement:

The minimum advertised priced for any of nanogreens10 + probiotics products should not fall below the manufacturer's suggested retail price (MSRP) \$49.95 and cannot be sold through online retail store. Biopharma Scientific reserves the right to discontinue doing business with any resellers that is in violation with the MAP policy.

General Guidelines:

These guidelines apply ONLY to nanogreens10 + Probiotic. This product was created exclusively for Health Care Practitioners, only. This product cannot be sold online; Amazon or personal website. This product can only be purchased through the Distributor Homepage on Biopharmasci.com.

Distributor/Reseller Guidelines:

To better protect our product integrity, any distributor, and reseller of our products are responsible for the MAP policy compliance of their customer and any business entities to which they are supplying.

MAP pricing only applies to advertised price. Temporary promotions, sales and discounts that effectively lower the retail price are permitted as long as they are not directly applied to advertised price.

Agreement form:

The implementation of this MAP policy is to aid in maintaining integrity, branding and the reputation of Biopharma Scientific products. We ask that you sign below as confirmation that you understand this policy and your agreement to comply.

- Retail Pricing \$49.95
