Dear Partners,

The Spa Dr. has implemented a minimum advertised pricing (MAP) policy that applies to all resellers, affiliates, estheticians, and practitioners. This policy is to protect The Spa Dr. brand and to preserve its intellectual property.

The Spa Dr. Products may not be advertised or sold at less than the Suggested Retail Price (SRP) in any retail establishments, physician's offices, or Spas. No sales of The Spa Dr. products (even at full SRP) is permitted on third party websites such as Amazon, eBay or other e-commerce websites.

If it is determined that a Reseller has violated the terms in this agreement, a written notification will be sent requesting that the advertised price be corrected within 5 days or the products be removed. Non-compliance may result in a loss of future purchasing privileges.

This MAP Policy applies to all the products provided on the list at the end of this agreement.
